

DeltAg Seed Coat Corn and Rice

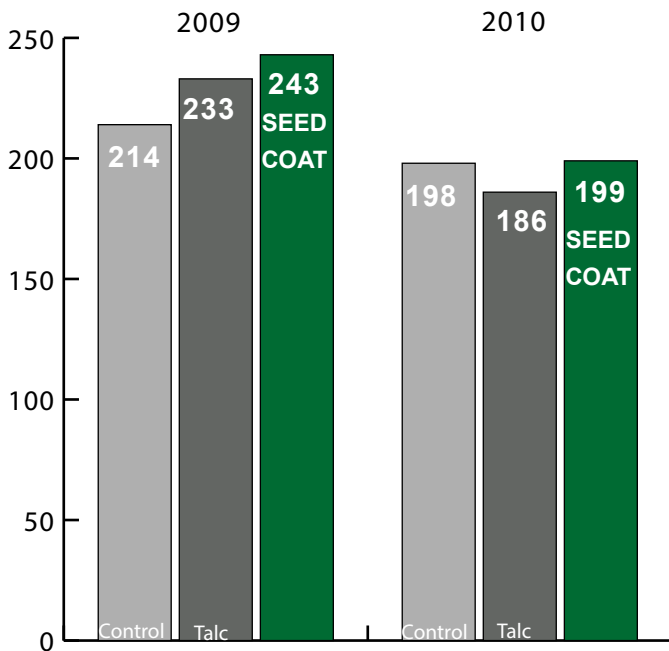

Seed Treatment Tests - SEEDCOAT VS TALC

University of Arkansas
Rice Branch Experiment Station
Dr. Paul Counce 2009-2011

Corn Studies

Hopper Box :	2009	2010	2011 No Data-Corn Plots Lodged
Control	214	198	No Data
Talc	233**	186	No Data
Seed Coat	243	199	No Data

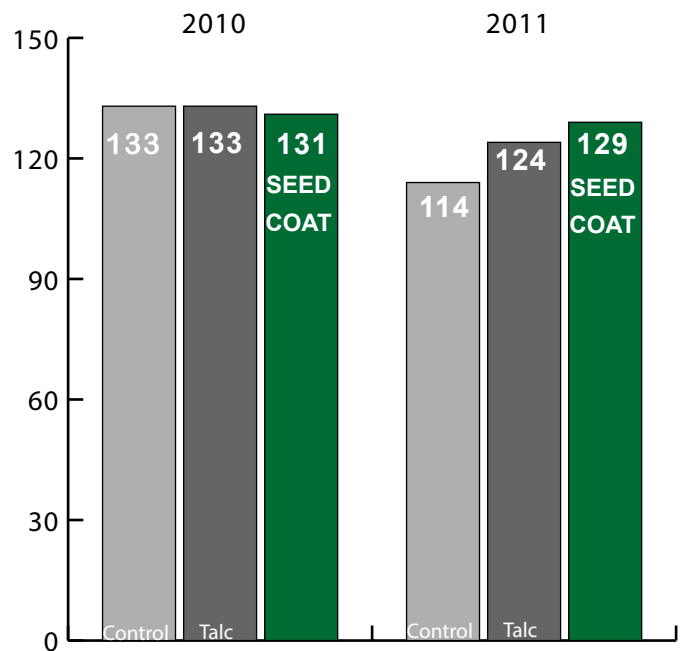

CORN SEED COAT VS TALC

Rice Studies (** Rice Yields extremely low in 2009 due to Nitrogen Issue)

Hopper Box Seed Treatment:	2009	2010	2011
Control-No Treatment	No Test	133.3	114
Talc Only	No Test	133.3	124**
Seed Coat	No Test	131.1	129

RICE SEED COAT VS TALC

** It is suspected but not confirmed that the benefit experienced from the Talc Only would have come from more uniformity and the higher plant population observed.
