Your satisfaction is our number one priority. Please don't hesitate to contact us with any questions or concerns. Return any product if not completely satisfied.

## Returns

You have 30 calendar days to return an item from the date you receive it. Your item must be in the original package. You must provide a copy of purchase receipt or proof of purchase.

- If the item was damaged during shipment, we'll replace it.
- If the item arrived defective, we'll replace it.
- If we shipped the wrong item, we'll take it back.

If you are not satisfied with any of our products, we will issue a refund less shipping cost. All return requests must be made within 30 days of the date you received the item. Send us an email explaining the problem and included the following information:

- Why you want to return the item, including photos or videos of the problem.
- A copy of your original purchase receipt
- Your name, address, email address and daytime phone number.

Once you are approved for a refund, we'll send you a confirmation email of approval and approval amount. If an item needs to be returned to us due to one of the reasons listed above, we will email you a return shipping label and detailed shipping instructions. Remember, you will be responsible for the shipping cost if return is an item that was not damaged or defective.
